An added 1/8 to 1/2 yard is added to all to account for shrinkage, straightening, cutting errors and prints that may require special cutting to get the best results. You should protect your investment in time and fabric by making sample blocks before cutting into your fabric because Exclusively Quilters will take no responsibility for replacing fabrics. Shops who wish to kit this design are responsible for figuring yardage for their kits if they wish to reduce yardages.

## **Borders:**

**1.** Borders are added a bit long, pressed and trimmed. For each of the mini quilts, cut two 1" black strips, one inch longer than the height of the panel. Add these strips to the right and left sides of panel. Press and trim excess from these and all successive border additions. Cut two 1" black strips about an inch longer than the width of the panel with side borders. Add these to the top and bottom of panel. Press and trim.

**2.** Following the "Borders and Bindings" list on Page 1, add a 1-1/2" colored border (1" finished) to each panel using the same method as the first border. (Always include the previously added borders to the new width or height of the panel.)

**3.** Add another 1" black border (1/2" finished) to each of the panels using the same method as the first border.

**4.** Following the "Borders and Bindings" list on Page 1, add a 1-3/4" colored border (1-1/4" finished) to each panel using the same method as the first border.

## **Finishing for each Mini Quilt:**

**1.** Layer a backing, batting and mini quilt top. Quilt or tie as desired.

**2.** Prepare binding from two 2-1/2" x 44" strips of binding strips (colors listed on Page 1 under "Borders and Bindings"). Sew strips together into one long binding strip. Press strip in half lengthwise.

**3.** Carefully trim backing and batting even with quilt top.

**4.** Leaving an 6" tail of binding, sew binding to top of quilt through all layers matching all raw edges. Miter corners. Stop approximately 8" from where you started. Lay both loose ends of binding flat along quilt edge. Where these two loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding together right sides together. Trim seam to 1/4" and press open. Finish sewing tape to quilt.

**5.** Turn binding to back of quilt and blind stitch in place.
