**Hollyhocks** fabrics by Exclusively Quilters - Style #3789

**Fabric Requirements:** Based on 44" wide fabric

one **Hollyhocks** panel (#60073-3)

1/3 yard pink (#60080-10)

1/2 yard dark green (#60080-6)

1-1/6 yards purple (#60080-1)

1-3/4 yards fabric for backing (#60074-3 border stripe suggested)

40" x 60" quilt batting

**Cutting Directions:** All measurements based on a 1/4" seam.

From the **pink** fabric:

Cut four 1-1/2" x 44" strips for border

From the **dark green** fabric:

Cut four 2-1/4" x 44" strips for border

From the **purple** fabric:

Cut five 4" x 44" strips for border

Cut five 2-1/2" x 44" strips for binding

**Sewing Directions:**

1. Trim the Hollyhocks panel to approximately 23-1/2" x 42-1/2". If your panel is a bit smaller or larger it will not affect the directions on how to make it, only on the finished size.

2. Sew a 1-1/2" x 44" pink strip to right and left sides of panel. Press and trim excess from these and all successive border additions. Add 1-1/2" x 44" pink strip to top and bottom of panel.

3. Make two long borders each with two 2-1/4" x 44" dark green strips sewn together end-to-end. Cut a 46" length from each border and add these to right and left sides of quilt. Add remaining lengths of dark green to top and bottom of quilt.

4. Cut one 4" x 44" purple strip into two equal lengths. Stitch each half-length strip end-to-end with a full-length strip. Add these to the right and left sides of quilt. Sew a 4" x 44" purple strip to top and bottom of quilt.

5. Layer the backing, batting and quilt top. Quilt or tie as desired.

6. Prepare binding from five 2-1/2" x 44" strips of purple. Sew strips together into one long binding strip. Press strip in half lengthwise. Carefully trim backing and batting even with quilt top.

7. Leaving an 8" tail of binding, sew binding to top of quilt through all layers matching all raw edges. Miter corners. Stop approximately 12" from where you started. Lay both loose ends of binding flat along quilt edge. Where these two loose ends meet, fold them back on themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding together right sides together. Trim seam to 1/4" and press open. Finish sewing tape to quilt. Turn binding to back of quilt and blind stitch in place.

An added 1/8 to 1/2 yard is added to all yardages to account for shrinkage, straightening, cutting errors and prints that may require special cutting to get the best results.

You should protect your investment in time and fabric by making sample blocks before cutting into your fabric because Exclusively Quilters will take no responsibility for replacing fabrics.

Shops who wish to kit this design are responsible for figuring yardage for their kits if they wish to reduce yardages.
