## Prep:

1. Cut each 3-7/8", 6-7/8", 12-7/8" and 13-5/8" squares in half diagonally. You will use only one of many of these triangles and can discard any unused triangles.

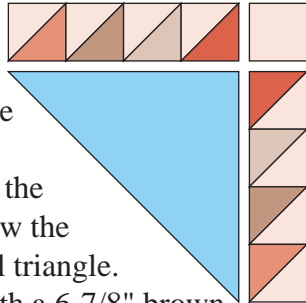

## Basket Block:

1. Draw a diagonal line across the wrong side of eight 3-1/2" mauve swirl squares. Place each square right sides together with the other eight 3-1/2" darker print squares. Stitch along the marked line, trim seam to about 1/4" and press to darker fabric.

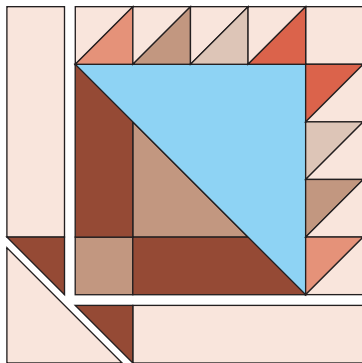

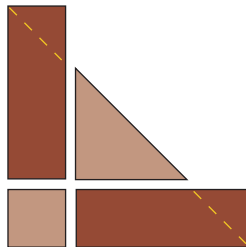

2. Lay out the half-square triangle units, one 3-1/2" mauve swirl square and one teal 12-7/8" large floral half-square triangle. Stitch the triangles into strips then sew the strips and square to the teal triangle.

3. Piece the basket base with a 6-7/8" brown paisley half-square triangle, a 3-1/2" brown paisley square and two 3-1/2" x 10" brown mini floral strips as shown. Stitch together pieces. Trim side strips even with the top of the triangle.

4. Sew the basket base to the top of the basket.

5. Sew a 3-7/8" brown mini floral half-square triangle to the end of each of the 3-1/2" x 12-1/2" mauve swirl strips. Add these to the basket. Sew a 6-7/8" mauve swirl triangle to the bottom of the block.

## Corner Applique Blocks:

1. Laying the prepared templates *face down* on the paper side of fusible web, trace each template four times leaving about 1/2" between each tracing. Trace four more Petal and Leaf templates with the templates *face up*. Roughly cut out each shape leaving about 1/4" around each shape.

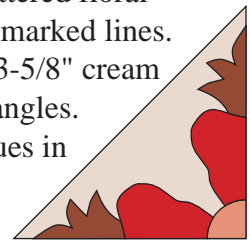

2. Lightly press the cut out fusible web to the *wrong side* of fabrics as listed:

All semi-circles to mauve paisley  
All petals to mauve scattered floral  
All leaves to brown scattered floral

3. Cut out each applique along marked lines.

4. Lay out appliques on each 13-5/8" cream scattered cream half-square triangles.

5. Permanently fuse the appliques in place following the web manufacturer's instructions.

6. Spray baste, or pin baste, a piece of tear-away stabilizer to wrong side of each applique block. Machine applique around all raw edges of applique with a short, narrow zigzag stitch. Use a clear nylon or matching all-purpose thread through the needle and a white all-purpose thread in the bobbin. Remove tear-away stabilizer when done stitching.

## Assembly and Finishing:

1. Stitch a corner applique unit to all four sides of the basket block.

2. Add a 1-1/2" x 44" teal scattered floral strip to right and left sides. Press and trim excess. Sew 1-1/2" x 44" teal scattered floral strip to top and bottom, press and trim.

3. Add brown large floral border (4-1/2" x 44" strips to right and left sides and 6-1/2" x 44" to top and bottom).

4. Stitch on a 2-1/2" cream scattered border in same manner as the first border.

5. Layer backing, batting and quilt top. Baste layers together. Quilt as desired.

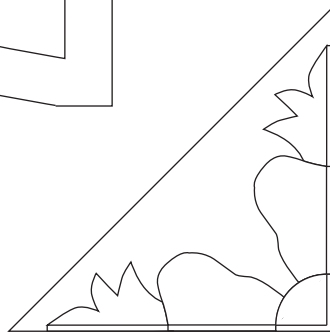

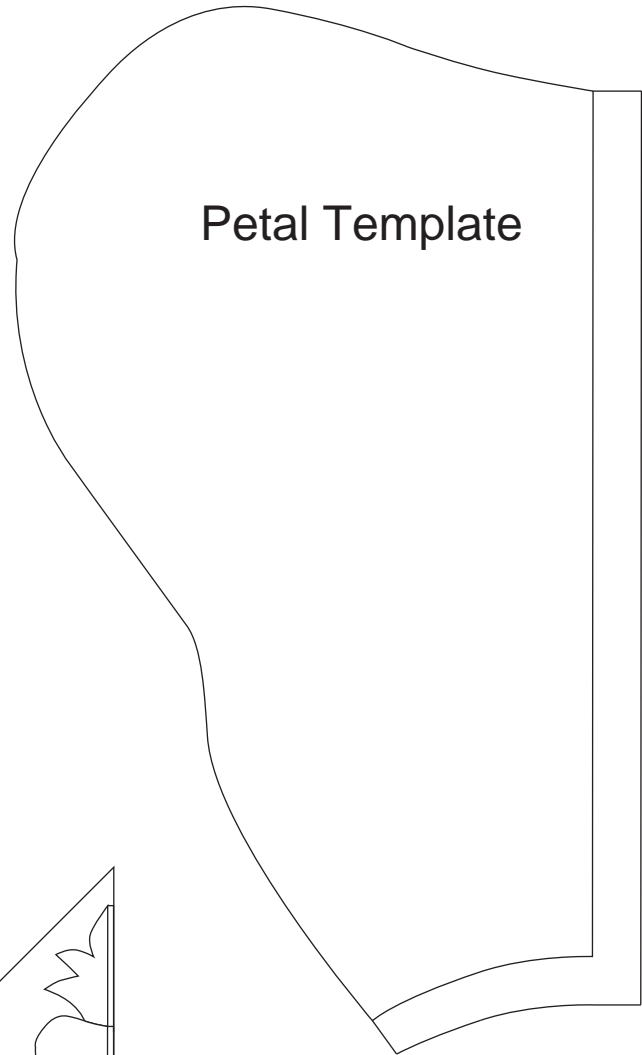

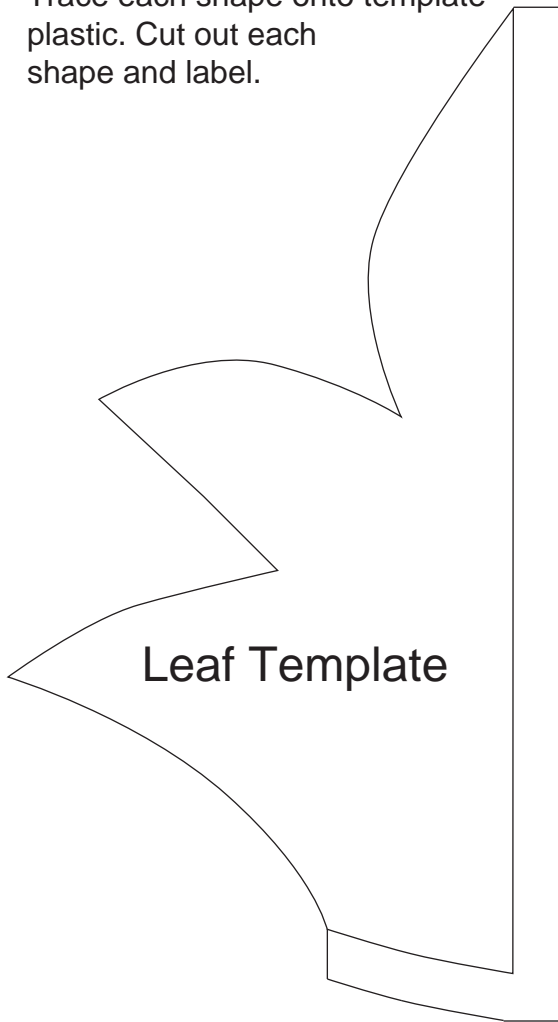

6. Trim the batting and backing even with the quilt top. Make binding from five 2-1/2" brown scattered floral strips and apply to edges of quilt.

# Rendezvous Templates

## Page 3

**Prepare Templates:** Size templates if needed as instructed in the 2" box below.

Trace each shape onto template plastic. Cut out each shape and label.

This box is 2" square. After printing this page, measure this box. If it is not 2" square, use a copy machine to reduce or enlarge the entire page to ensure the templates are the proper size.
