Sewing Directions:

1. Trim each of the six large vintage handkerchief blocks from the panel to 12-1/2" square. Stitch a 1" x 12-1/2" cream snowflake strip to the right and left sides of each of the 12-1/2" blocks. Add the 1" x 13-1/2" cream snowflake strips to the top and bottom of each block.

2. Trim the three smaller vintage handkerchief blocks to 9-1/2" each. Stitch a 2-1/2" x 9-1/2" red snowflake strip to the right and left sides of each of the 9-1/2" blocks. Add the 2-1/2" x 13-1/2" red snowflake strips to the top and bottom of each block.

3. Lay out all the blocks, the 2-1/4" x 13-1/2" cream snowflake sashing strips and the 2-1/4" green ornament cornerstones. Arrange the blocks as shown in the quilt diagram or in your own design. Sew the pieces together into rows then sew the rows together.

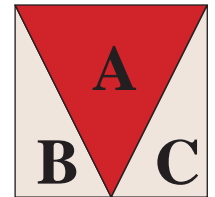

4. Cut two 2-1/2" x 44" cream ornament strips each into two equal lengths. Sew each half-length strip end-to-end with a full-length strip. Add borders to the right and left sides of the quilt. Press and trim excess from these and all successive border additions. Add borders to top and bottom of quilt.

5. Add a 1-1/2" dark green snowflake border in the same manner as the first border.

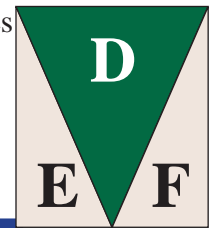

6. Trim the four 5-1/2" red tree squares with **Template A**. Trim four 3" x 5-1/2" cream snowflake pieces with **Template B** and then trim four more with **Template C**.

7. Sew cream snowflake **Template B** and **Template C** pieces to each side of the red tree **Template A** pieces. These are the corner border blocks.

8. Trim all the 5" x 6-1/4" rectangles with **Template D**. Trim thirty-six 3" x 6-1/4" cream snowflake pieces with **Template E** and trim the remaining pieces with **Template F**. Make 36 border blocks, four of each color.

9. Piece four border strips referring to the quilt diagram. Sew two borders to the right and left sides of quilt. Again referring to the quilt diagram, add the corner border blocks to both ends of the two remaining borders. Add these borders to the top and bottom of quilt.

10. Make four borders each with two 1-1/2" x 44" red snowflake strips together end-to-end. Add borders to the right and left sides then to the top and bottom of quilt.

11. Cut backing into two equal lengths. Sew the two lengths together along selvage edges. Layer the backing, batting and quilt top. Quilt or tie as desired.

12. Prepare binding from seven 2-1/2" x 44" strips of red snowflake. Sew strips together into one long binding strip. Press strip in half lengthwise.

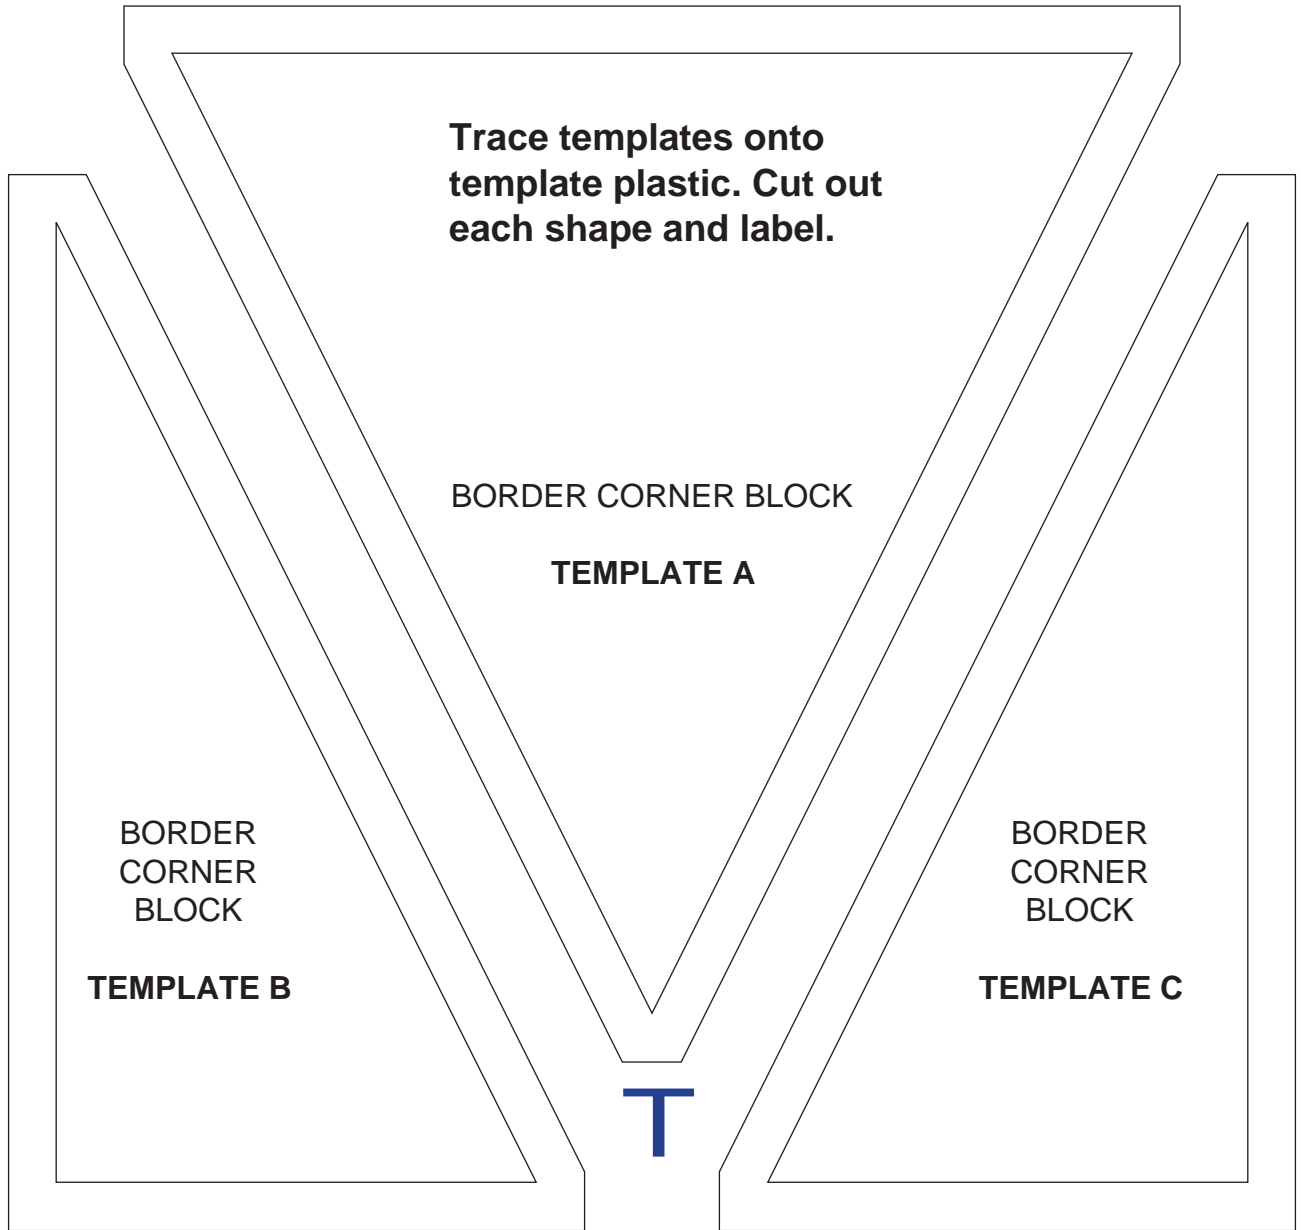

13. Carefully trim backing and batting even with quilt top.

14. Add binding to the raw edges of quilt.
